

# U.S. Support Program to the Coral Triangle Initiative

## Description

Project Status [Completed](#)

Start Date Friday, August 23, 2019

End Date Friday, August 23, 2019

Short Title CTI

Project Type [Capacity Building](#)  
[Field Implementation](#)

Project Scope [Regional](#)

Project Objectives 1) To improve the management of biologically and economically important coastal and marine resources and associated ecosystems that support livelihoods and economies in the Coral Triangle and assist the 6 CTI Regional and National Plans of Action with activities that focus on instituting an ecosystem approach to **fisheries** management, creating marine protected areas, building **climate.change** adaptive capacity and establishing regional platforms to promote cross-country learning and enhance sustainability.
