

Preparedness for Climate Change Project

[PDF version](#) or type unknown

Description

The aim of this program was for the Red Cross and Red Crescent National Societies in countries particularly vulnerable to [climate change](#) to gain a better understanding of [climate change](#) and its impacts to identify country-specific [adaptation measures](#) in line with risks. Activities could include a workshop on risks, assessment of risks through preparation of a background document, [capacity building](#) programs, and developing [climate change](#) resilient plans. This is a 2-phase program: Phase 1 was from 2006-2009, and Phase 2 is ongoing.
