Disclaimer

This publication was produced with the financial support of the European Union and the German Government / GIZ. Its contents are the sole responsibility of <name of the author/partner> and do not necessarily reflect the views of the European Union, the Pacific Island Forum Secretariat, the German Government, or GIZ.

Where to go from here?

- **Ensure that all printed deliverables are registered, produced and archived**
- Submit other relevant documents from the project (for preservation, proof of project progress, and input to publications)
- **Notify GIZ if you see potential for publishing and distributing a particular document**
- Notify GIZ if your project needs support with quality, formatting, publishing or visibility issues regarding a particular document

Workshop on Knowledge Exchange and Lessons Learned

- **A regional workshop for knowledge exchange between projects & lessons Learned**
- Suggested for October / November 2018
- For project managers, in-country coordinators, technical personnel from the projects
 - To learn & exchange knowledge and lessons learned
 - From project implementation on the ground
- Presentations of project progress, success stories, lessons learned
- **Your endorsement & suggestions needed!**

Visibility of Project Success

- Project Profiles
- Success Stories
- Project Posters
