## Back Stopping Mechanisms

RTSM – Linked to the PPCR Regional Track

## Remove Barriers to Data Sharing

Linked to the PCCP, DRM Net and CROP organizations web sites

## Working Groups specific recommendations

Carry out a region wide survey of real energy costs in the outer islands and of regulatory disincentives to RE and EE as well as low carbon initiatives and sustainable resources in other sectors.

Communication to UNFCCC processes concrete evidence of mitigation actions being undertaken in the Pacific Region.

Need and scope for regional support to assist REDD-readiness at the national level, SPC and GIZ prepared a guideline

## Mainstreaming Climate Change

Based on PACC experiences – A practical guide on mainstreaming has been developed

PACC gender toolkit

Other toolkits and guidelines to be published (NAMAs, etc)

## Displacement Study

ESCAP has sought to undertake a study on this in 2012-2013

## Joint Meeting of PCCR and Disaster Platform

## Region Climate Change Communication Strategy

### PCCR 4 Working Groups:

1. Climate Change Resource WG - PIFS & SPREP
2. CC Adaptation and Mainstreaming WG - SPREP & IUCN
3. Climate Change Mitigation - SPC & SPREP
4. Climate Change Information and Knowledge Management WG - SPC & SPREP
