Request for Proposal

Date of Issue:
September 15, 2014

RFP No. NDBP 01/2014 re-issued under new
RFP No. NDBP 01-A/2014

The Secretariat of the Pacific Community (SPC) being the implementing agency for the European Union funded Global Climate Change Alliance: Pacific Small Island States (GCCA: PSIS) project is providing support to help the Republic of Palau in its prioritized water sector climate change adaptation actions. One element of this is the Palau Water Conservation Incentive Program (PWCIP).

The program will be implemented by the National Development Bank of Palau.

NDBP is soliciting qualified individuals or firms to provide the consultation work to develop the Palau Water Conservation Incentive Program (PWCIP).

RFP specifications and all detail information related to this Request for Proposal can be request by contacting Ms. Karla T. West, Operations Manager.

Interested firms or companies are requested to submit detailed offers in accordance with details and specifications of the Request for Proposal by courier in a package clearly marked with the RFP Number to the following address:

President / CEO
National Development Bank of Palau
NDBP Building, Ngetkib Village
Airai State, Republic of Palau

and,

Proposals shall be submitted electronically to in full to Mr. Harley Fletcher at hfletcher@ndbp.com, and Karla T. West, Operations Manager at kwest@ndbp.com. Submission deadline is no later than 4:30pm, October 15, 2014. Offers received after this time and date will be rejected. Proposals will be opened on October 16, 2014 at 9:30 am at the NDBP Conference room.
