

PCCR 2013

Session 8: Roadmap Discussion

Background:

National Capacity and Coordination

-One woman – one man office (NMS,
NDMO, Climate Change Vs communicates

Perceptions:

- CCA only
- DRR only
- Response only
- Linkages and connectivity

Approaches:

- Focus
- Division
- Cause and Effects

Community:

- 3 or 4 consultations month
- Slow turn around in project implementation
- Risks are the same

Impacts:

- pilots
- short term
- Baseline and Risks profiling

2009

- Regional Organisations Responses
- The Road Map Process
